SECTION ONE

ABOUT US

ABOUT US

The headquarters of GCL are in Dar es Salaam – Tanzania and as a company GCL operates in Tanzania and soon intends to extend our market in the neighbouring countries of EAC and other countries in Zambia and Malawi. The current Business that GCL undertakes involves importation and trading on new and used cars from Japan, South Africa, Dubai, UK and Singapore; Car accessories; Technological Solutions; Home & Office Appliances and Electrical/Energy Solutions. GCL works in alliances and partnerships with quite a big number of world class companies/business partners spread in different countries in the world and service providers who are ISO certified and follow the international accepted standards and procedures. In the near future GCL aspires to be one of the leading importers and trading company offering various business solutions in EAC region, Central, Southern Africa and beyond the African Continent. We intend to offer high-level, reliable and professional services and further provide our clients with innovative products, solutions and services that will quench our customer's needs.

COMPANY BACKGROUND

Granite Company Limited was founded in 2010 and incorporated under the company act, 2002 of Tanzania in the year 2018. The initial capital that was invested in GCL was obtained from our mother company known as Starlight Millers having its headquarters in Mwanza – Tanzania dealing with processing of maize flour and distribution in the lake regions. GCL was established with a focus on importation and sale of both new and used cars from Japan, UK, South Africa, Dubai and Singapore; Car Accessories; Technological Solutions; Home Appliances and Electricity/Energy Solutions. Initially the market of our products has been in Tanzania and its our plan in the near future to extend our market in EAC region and other neighboring countries in Zambia and Malawi. As a trusted and reliable company GCL has always been innovative in leading the market every time by introducing new and affordable products and services to meet client's requirements while not comprising on the quality of our products. We have established quite a strong and reliable business partnership with world class companies and suppliers.

Our Mission

We work hard every day to make Garnite Company Limited the east and central's most respected and reliable service brand.

Our Vision

To be the most preferred brand in the business of importation of various products in East and Central Africa.
